Hi –

Do you want to send Valois your comments so she can start working on them if she wants to? It may take a few days to get review from all of the ORC and OGC attorneys. But I'll put ours on top of yours so if Valois wants to wait and review all at once, she can wait for mine...

Here are the comments as they now stand. If we have any changes I will put them on your document after you make your comments.
